## Venue

### St George's Golf & Country Club.

A truly gorgeous facility, initially completed in 1929, St. George's was rated No. 1 in Canada and No. 10 in the World outside the United States by Golf Digest Magazine in 2012, a fact which generates a great deal of pride among St. George's members, young and old. In 2013, St. George's was also named as part of the top 100 Platinum Clubs of the World.

## Food, Wine & Entertainment

Executive **Chef Saunders** and the talented team at St George's will spoil you with exceptional cuisine, four courses carefully chosen to accompany the delightful wines you will be tasting.

### Juno Award Winner, Lorraine Klaasen

Montreal-based, **Lorraine Klaasen**, 2013 Juno Awards winner for *World Music Album of the Year*, is the daughter of legendary South African Jazz singer Thandie Klaasen. One of the few South African artists who have preserved the classic sound of 'Township Music', which continues to be the most distinctive sound to come out of South Africa, Lorraine was born and raised in Soweto, and has electrified audiences worldwide with her dynamic stage presence and showmanship. Lorraine was influenced by South Africa's musical giants of the 1950's and 1960's, such as Miriam Makeba.

## Organisers

### **CSAN - Canadian-Southern African Network**

The primary purpose of this association is to develop a vibrant organization, characterized primarily by the shared values of its members - particularly the idea of connecting, having fun and "giving-back". CSAN achieves the goal of "giving back" through the organization of events and fund raisers which support worthwhile causes, with a particular focus on the educational development of under-privileged children

### **Grapes for Humanity, Canada**

Grapes for Humanity, Canada, began with a love for wine and a desire to transform this passion into humanitarian action. Thanks to the enormous generosity of the international wine community, Grapes for Humanity, Canada has been able to provide much needed relief to those less fortunate around the world. They raise money through a variety of wine-related activities and direct the proceeds to those in immediate need.

## Supported Charity

### **MAD CHARITY (Make A Difference)**

MAD CHARITY (Make A Difference) was founded in 2003 by Francois Pienaar and a group of friends who truly believe in the future of this beautiful country – South Africa – and the endless potential it holds. The primary goal of MAD is to identify academically talented South African learners from less fortunate backgrounds and support their education and life skills development up until the point at which they are ready to enter the job market.
